District Superintendent's Report

Dear Parents and Constituents:

The Education Accountability Act (EAA) of 1998 mandated that school districts provide specific information about the schools and district to parents and the community in the form of annual school and district report cards. We are pleased to provide you with the summary of the 2013 Clarendon School District Two annual school and district report cards.

We are proud to say that all of our schools and the district are accredited through the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS-CASI) and the South Carolina Department of Education. Manning Early Childhood Center has an additional accreditation through the National Association for the Education of Young Children (NAEYC). We have high quality K-12 education programs that we believe will make a positive impact on the achievement of our students.

We offer an enriched core curriculum to meet the varied needs of our students. We are committed to providing all of our students the opportunity to acquire a quality education. Ninety-eight percent of our teachers meet the No Child Left Behind requirement of being "highly qualified." One hundred percent of our instructional assistants are "qualified," too. We are striving to become better every day.

We have made a focused effort to upgrade and enhance our technology capabilities and provide staff and students with as much of the cutting edge technology as the district can afford. We also have made an effort to upgrade the collections in the media centers at our schools. Both of these activities must continue if we are to keep pace with our counterparts.

We welcome the input and support of our parents and community stakeholders in helping us to achieve our mission of "Educating Children." You are invited to visit our schools to observe us and to assist us in our work.

You are encouraged to review the information contained in this year's report cards and, if you have any questions, please feel free to contact the principal or me.

Thank you for your continued cooperation and support.

Sincerely,

John Tindal, Superintendent
